

# Are you struggling with any of the following?

**Chronic Health Issues -- Blood Sugar Regulation -- Low Energy Levels  
Skin Conditions -- Joint Discomfort -- Lack of Proper Sleep -- Cardiovascular Issues  
Weight Management -- Digestive Problems -- Immune Disorder**

**If so,** come learn how and why people are embracing BEMER medical technology from Germany and how it has impacted their health and the health of millions worldwide, in a non-invasive and natural way. Bemer technology is for everyone....ages 1 to 100, and even for your pets! The ease of use makes BEMER a favorite, whether you are in ill health or in great shape!

## **SPECIAL GUEST SPEAKER**

Come hear from longevity researcher Michael Varbaek here from California. Michael teaches BEMER Academy trainings throughout the US. He will inform you how BEMER therapy positively impacts the physiology of the body and how this technology can bring you energy and wellness.
